# Clic omega support for wall SOC 10-40

Description: Omega type bracket for wall installations. To fasten this bracket to a wall, it is recommended to use the bracket stop accessory (ref. ENT) to facilitate screwing and strengthen the fixation.

The bracket can also be fixed to the ceiling using a threaded rod (ref. VR & TVR), inserting it into the hole located at the end of the support.

Ø10x20

Ø10x20   Ø10x17
